

Studio FOLIO

Interface[®]

K12 Education III

FOLIO: Flooring is key to creating a fun and successful learning environment. Interface's system of products; Carpet Tile, LVT, and nora rubber, stand up to the daily demands of an educational facility while positively influencing staff and students. Lower your total cost of ownership with high performance products that offer design flexibility, ease of maintenance, and selective replacement.

We make finding design solutions easier with Interface Design Studio. From concept to completion, we can work closely with you to create distinct designs that meet your vision and budget no matter how large or small the project. Plus, the to-scale floor plan layouts can project overall waste and act as an installation guide, all complimentary to you!
