

Studio FOLIO

Interface[®]

Higher Education

FOLIO: Interface makes it easy to address your institution's unique flooring needs with an integrated system of carpet tile, LVT and nora[®] rubber solutions. Whether you're planning a new state-of-the-art facility or updating an existing one, our flooring consultants are ready to help you make an informed decision about the right type of flooring for your budget, without compromising design, performance, or sustainability. That's why we're Made For More[™].

Our expert designers know all our product categories inside and out—and their services are complimentary. From concept to completion, they can work closely with you to create distinct designs that bring your school's culture and brand to life. The to-scale floor plan layouts can project overall waste. Plus, they include the embodied carbon calculation, making it easier to design with carbon footprint in mind.
