Providing care is at the heart of all that you do. We share your commitment to service.

Our portfolio of nora® rubber, LVT, and carpet tile can cover every square inch of your facility with an integrated flooring system that supports staff and patients every step of the way—with safety, health, and performance in mind.

Made with purpose, our products help you get more from your floor. Support positive outcomes and Evidence Based Design principals in healing environments with our space-specific solutions.

That's why we're Made for More™.

WITHOUT COMPROMISE

GO-DO-MORE FLOORS

INTERFACE IS YOUR SINGLE-SOURCE PROVIDER FOR SOLUTIONS THAT ADDRESS YOUR SPACE-SPECIFIC NEEDS.

Our flooring products—nora rubber, LVT, carpet tile, and a wide range of accessories—are developed with evidence-based design in mind helping to provide superior performance and a lower total cost of ownership over the life of the products.

Flooring is one aspect of the healing environment. Whether a patient, staff member, or visitor, designing with evidence-based design is a thoughtful approach to select flooring that helps contribute to positive outcomes and support the needs of all who use the space.

YOUR DESIGN PARTNER

TECHNICAL SUPPORT

WE MAKE FINDING DESIGN SOLUTIONS EASIER WITH INTERFACE DESIGN STUDIO

Our expert designers know all our product categories inside and out—and their services are complimentary. From concept to completion, they can work closely with you to create distinct designs that meet your vision and budget no matter how large or small the project. The to-scale floor plan layouts can project overall waste and act as an installation guide for the flooring contractor. Plus, they include the embodied carbon calculation, making it easier to design with carbon footprint in mind. Just contact your sales rep to get started.

YOU NEED MORE THAN A FLOORING VENDOR — YOU NEED A PARTNER

Our experts are available for consultation before, during and after flooring installation. Plus, we can help develop a comprehensive maintenance plan which means you can see a greater return on investment and a lower total cost of ownership. Interface can also help you to support flooring maintenance in high-function spaces with minimal downtime.

nora RUBBER

SO DURABLE, IT CAN LAST FOR DECADES—
AND STILL LOOK GOOD.

LUXURY VINYL TILE

BRING YOUR VISION TO LIFE WITH TWO DURABLE LVT
OPTIONS—3.0 MM LVT OR 4.5 MM SOUND CHOICE™ LVT.

- Non-porous surface provides chemical and stain resistance
- Reduces incidence of slip, trip, falls
- Ease of maintenance and reparability
- Impact sound reduction of up to Δ IIC 23

4.5 mm Sound Choice

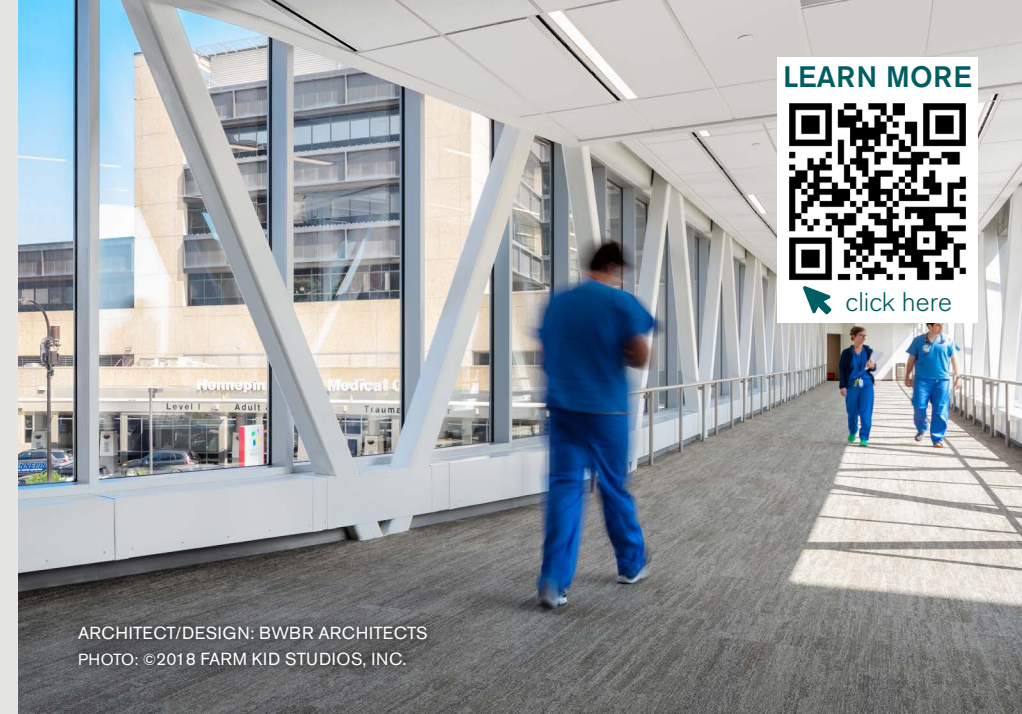

- Greater impact sound reduction of IIC 64
- GreenCircle certified 100% recyclable through ReEntry™
- Ceramor™ coating resists slips, scuffs, and scratches
- 39% pre-consumer recycled content

3.0 mm

- Impact sound reduction of IIC 56
- Ceramor™ coating resists slips, scuffs, and scratches
- 39% pre-consumer recycled content

CARPET TILE

EVERYTHING YOU LOVE ABOUT SOFT FLOORING
BUT WITH THE FLEXIBILITY OF TILE.

THOUGHTFULLY DESIGNED. FULLY TRANSPARENT.

Our carbon plan is simple: **Avoid. Reduce. Store. Inspire.**

When you choose flooring from Interface, you're selecting a single-source solution that will reduce your carbon footprint and contribute to a better-built environment for patients and staff.

- Our ReEntry™ Program enables reclamation of used flooring and installation waste.
- Interface flooring products are third-party certified for low VOC emissions through Green Label Plus, GREENGUARD Gold or FloorScore® and contribute to improved air quality.
- Many Interface products incorporate biophilic design, bringing elements of nature to reduce stress and enhance treatment.

Interface has been a pioneer in sustainability for over 30 years. We all benefit from a better world to live, work, and grow in—let's plan for a better world, together.

RECLAMATION PROGRAMS

As an installation partner, we can help you navigate options for removal and disposal of your existing flooring. Our ReEntry™ Program enables reclamation of used flooring and installation waste.
