

HOW TO ACCESS THE INCOGNITO BROWSER

1. Make sure you are using Google Chrome and do not already have an incognito tab open
2. Right click over the “View Products” button under each contract tab
3. Choose the option “Open link in incognito window”
4. You’re all done!
5. To view another product catalog, close out of the previous incognito browser and repeat steps 2 and 3

STILL HAVING TROUBLE? TRY THIS:

1. Open Google Chrome
2. In a new tab click on the three dots in the upper right corner
3. In the incognito browser go to Interface.com
4. In the upper right hand corner choose click the country/language button
5. Choose the country of the product catalog you are trying to access
6. Go back to the SAP landing page
7. Follow the previous steps to open the link (right click, choose open in incognito mode)
8. You’re all done!
